

SUSTAINABLE AGRICULTURE USING AN AQUAPONICS SYSTEM

Interested in growing your own food with an easy to maintain backyard system?

Would you like to join forces with the sustainable movement in the Rogue Valley?

Are you interested in learning how to put Ancient Hawaiian wisdom to use with modern technology?

If so, come learn about Aquaponics at an upcoming FREE Lecture with plenty of time for Q and A.

Thursday, February 4th 6:30-8pm

@ Oregon State's Extension Campus Auditorium. 569 Hanley Road, Central Point

RSVP to Dane Reeves 541-690-7207
